

English 107: WK7-WK 10 Mid-Semester Project: **Individual Pre-Recorded Video Presentation**

You will have Weeks **7 and 8** to research, write, and practice your presentation. By **Week 9** you will record an individual presentation in English and upload it to the flip site. In Week **10** you will do a peer evaluation of 10 pre-recorded presentations as the instructor will assign.

Topic:

You will choose a foreign country that you would hopefully visit in the future as a traveler or a resident. You should explain to the class about that country and its culture. Each student should research and present one of these topics:

- An introduction to the country and its society
- Important and influential person(s) who come from that country
- Something special/unique about that country (e.g., customs, inventions, language, manners, etc.)
- The history of that country
- The nature and beauty of the country
- The cuisine (food/drink) of the country

Details:

1. You will work individually and on the recording day you will record your speech using presentation slides.
2. Each presentation should be **about 6-8 minutes in total**.
3. You will research your topic and prepare this presentation **in Week 7 and Week 8**.
4. You will use PPT or Keynote to create a presentation file and then make **a pre-recorded video** of the presentation.
5. Your **pre-recorded video** will be uploaded to the **Flip** site.
6. The Peer-to-Peer Evaluation using **a Google Form** will be done in Week **10**.
7. Please help each other in the class if necessary.

Minus Points:

You will lose points if:

- Your presentation is too short (check your timing when you practice!)
